Our summer reading programs are coming to a close, but there is still time to read and win prizes. Children can continue to read and redeem their reading logs for prizes until July 30th. Children who fill out all three reading logs and read at least 10 hours over the summer will be entered for the prize drawing on August 1st.

The child who reads the most from each school will win one of the grand prizes. We will be awarding those prizes when school resumes in the fall.

Encourage your child to keep on reading...or read to them, that counts too.

We have some great things going on for the adults this summer.
